A coin toss will be used to determine home team for every game

Each team must have at least 7 men and 3 girls. All players must be 15 years old.

On plays to home plate, defensive player must touch home plate, not strike mat. Runner just has to cross line, and cannot touch either plate or strike mat. There is no contact between runner and defensive player.

If four straight balls are pitched to a man with a girl batting next, the man goes to second base, and the girl has to bat.

The first 6 innings of each game will have a run restriction of 7 runs per team per inning.

The 7th inning will have unlimited runs per team until a winner is determined.

Home Run Rule is three (3) and one up. One up only takes effect after both teams reach three home runs. Any additional home runs are an automatic out. In the last inning the home team may hit one home run to pull even with the opposing team in the number of home runs, but may not hit a home run to go one up.

The mercy rule is 15 runs after the 5th inning.

In the event of a tie, an extra inning must be played. The last out from the previous inning goes to second base and the inning starts with one out.
